Services, Policies & Rates

Our goal at Back in the Pack Dog Daycare is to provide a safe and stimulating social environment for your dog. We are dedicated to the health and well-being of all our canine visitors and are devoted to providing the best daytime care and companionship for your pet. Back in the Pack focuses specifically on quality canine daycare during weekday business hours. We are unable to offer overnight kenneling services.

Our services

Daycare can be a rewarding experience for your dog. There are several reasons why you should consider using our daycare services for your pet:

- Pack interaction teaches social skills and encourages self-confidence.
- Daytime activity can control or eliminate undesirable behaviour in the home due to boredom, separation anxiety or stress.
- Acceptable behaviour is encouraged through positive reinforcement.
- Our facility is fun, safe, and secure.
- We have a free-play area, non-slip floors, toys, and beds for nap times to ensure a pleasant and healthy atmosphere for your pet.
- We offer plenty of human interaction and one-on-one attention.

Our policies

To provide a safe environment for your pet:

- All dogs are screened prior to entering the daycare to ensure the health and safety of all visitors.
- All dogs must have all vaccinations. Owners must submit written proof of all vaccinations including Canine Cough (Bordetella). In addition, we strongly recommend all dogs be on a vet recommended flea/tick/lice prevention program. Information can be provided upon request.
- Owners must certify that their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize other guests. Dogs that have been ill with a communicable condition within the last 30 days will require veterinarian certification of health in order to be admitted or readmitted.
- Owners must certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any person or any other dogs.
- Puppies must be at least 12 weeks old and have 2 sets of shots to participate.
- All dogs over 6 months of age must be spayed or neutered.
